Armedica Manufacturing Corp. has been in business since 1998. Our founder and owner has been in the medical equipment business for over 50 years and has been involved in many of the key design and manufacturing improvements in the treatment table industry. Our commitment to building solid products has helped us become one of the leading suppliers of treatment tables to the medical industry.

MADE IN THE
USA

Made in the USA is not just a slogan at Armedica. We realize that designing, manufacturing and assembling all our products in our factory ensures that we have complete control over all the key processes. It also means that if you have special design requirements, we can make the changes and deliver a table that meets your specific needs.

We are an ISO13485 Certified Medical Device Manufacturer. In addition to being FDA compliant, we maintain a quality system that ensures the design and manufacture of every table meets global quality standards. That means a better and more reliable product for our customer.

Eleven Standard Upholstery Colors

8 Basic colors and 3 Decorator Colors*

- Treated with a proven vinyl protective coating that is engineered to create a tough, effective barrier against the three biggest problems encountered in today's environment: germs, abrasion and stains.
- Offers superior bacterial protection that the healthcare industry can count on.
- Guards against the surface growth of fungus mold and mildew spores.
- Keeps its good looks and is highly resistant to microbial deterioration that can cause cracking, splitting, and loss of flexibility.

*Decorator Colors have an ultra soft leather feel and soft hi-loft backing.

**Other colors available
as special order**
